

General Galleries Field Trip

This is an informative and interactive guided tour of the Museum with one of our experienced Museum Educators. It is an in-depth, gallery tour with facilitated discussions and hands-on S.T.E.A.M. activities of all 4 of our main gallery spaces: Machinery Hall, Iron & Steel, Silk & Textiles, and Propane & Energy. We offer pre and post lessons that meet curriculum standards while providing educators the flexibility to adapt the content to fit their subject and student needs.

National Museum of Industrial History

The National Museum of Industrial History in Bethlehem, PA, is dedicated to preserving America's rich industrial heritage. Located in a 100-year-old Bethlehem Steel facility on the largest private brownfield in America, the Museum is home to exciting exhibits, engaging programs, and amazing history. We work towards inspiring the next generation of inventors, innovators, and entrepreneurs.

Our mission, in affiliation with the Smithsonian Institution, is to forge a connection between America's industrial past and the innovations of today by educating the public and inspiring the visionaries of tomorrow.
