

The Industrial Revolution

Visit the galleries and debate between the workers, inventors, and innovators detailing their lives, experiences and arguing the pros/cons of the Industrial Revolution. We will then discuss our current revolution, the Internet Revolution, and how it is reshaping society today. This field trip is approximately 1 hour in the galleries and 1 hour doing a facilitated activity.

National Museum of Industrial History

The National Museum of Industrial History in Bethlehem, PA, is dedicated to preserving America's rich industrial heritage. Located in a 100-year-old Bethlehem Steel facility on the largest private brownfield in America, the Museum is home to exciting exhibits, engaging programs, and amazing history. We work towards inspiring the next generation of inventors, innovators, and entrepreneurs.

Our mission, in affiliation with the Smithsonian Institution, is to forge a connection between America's industrial past and the innovations of today by educating the public and inspiring the visionaries of tomorrow.
