Copies of Bob's  
book will be

"The Diabetes Crusader," Kutztown resident Bob Scheidt, has dedicated his life to showing others how he lives with diabetes. He wants people to know that they can manage diabetes and still do the things they love. He has walked thousands of miles to bring awareness to Diabetes 1 and 2.

While Bob lives in Kutztown now, his roots are in Longswamp Township. His grandparents, Manrow and Myrtle Reinhard, moved their family to Freehall from Macungie in 1940, and then, in 1945 to Hancock. His mother Anna and four of her siblings are graduates of Longswamp High School; the youngest, Ronald, was in the first graduating class of Brandywine High School. Anna also worked at the former Mertztown Rug Mill.

**This event is free of charge and open to the public.**
